EDUCATION

COURSE	YEAR	COLLEGE/INSTITUTION	UNIVERSITY/BOARD NAME	MARKS/GRADE
BCA Sci - 3rd Year Ongoing	2025-26	Indira College of Commerce & Science, Pune	Affiliated to SPPU, Pune	Pursuing
BCA Sci - 2nd Year	2024-25	Indira College of Commerce & Science, Pune	Affiliated to SPPU, Pune	8.96 CGPA
BCA Sci - 1st Year	2023-24	Indira College of Commerce & Science, Pune	Affiliated to SPPU, Pune	8.91 CGPA
HSC 12th	2020-21	MSPM's Balbhim College, Beed	Maharashtra State Board	83.67%
SSC 10th	2018-19	Yashwant Vidyalaya, Selu	Maharashtra State Board	82%

PROJECTS

CERTIFICATIONS & TRAINING

🎓 **College Algebra with Python Certification** (*freeCodeCamp – Project-Based*)

Applied algebraic concepts like linear equations and functions using Python-based tasks and interactive coding problems.

View Certificate

🎓 **Machine Learning with Python Certification** (*freeCodeCamp – Project-Based*)

Completed hands-on machine learning projects using Python, covering both classical algorithms and neural networks.

View Certificate

🎓 **Data Analysis with Python Certification** (*freeCodeCamp – Project-Based*)

Worked with real-world data using NumPy, Pandas, and Matplotlib.
Completed projects including time series visualization and statistical analysis.

View Certificate

🎓 **Machine Learning Certification** (*ExcelR EdTech – Jan 2025*)

Covered 30 hours of instructor-led training on machine learning fundamentals, including supervised/unsupervised learning, model selection, and evaluation.

🎓 Data Visualization Certification (*freeCodeCamp – Project-Based*)
Built interactive visualizations using D3.js, AJAX technologies including bar charts, scatterplots, and heatmaps. Completed multiple hands-on coding challenges.

TECHNICAL SKILLS

- **Programming:** C, Python, SQL, R, JAVA
- **Web Technologies**: HTML, CSS, JavaScript, PHP
- **Database**: MySQL, DBMS Concepts
- Data Structures & Algorithms Using C
- Statistics & Data Analysis with R Packages
- Git & GitHub
- Excel
- ChatGPT

SOFT SKILLS

- Communication
- Problem Solving
- Teamwork
- Time Management
- Adaptability & Self-learning
- Team Collaboration

LANGUAGES

- Marathi
- Hindi
- English

STRENGTH

- **Continuous Learner** – Proactively seeks knowledge and strives for an in-depth understanding of concepts.
- **Critical Thinking** – Evaluates situations logically and considers multiple perspectives to make well-informed decisions.
- **Self-Learner** – Demonstrated ability to learn independently through online platforms and certifications.
